## ...SO RUN TO WIN 1 COR 9:24

*Running to WIN!! This is the attitude that we currently are undertaking. In a race different challenges and circumstances will be presented to us, but we know that our objective is to give glory to His name. Therefore each day we are convinced that God wants us to do His work and take part in serving Him. This time of change is wonderful, seeing His hand faithfully at work in our lives.*

## VISITING ARGENTINA

*In the month of May, God gave me the great privilege of visiting my family in Argentina after four years of being away. It was a wonderful time of joy and to be a testimony among the neighbourhood I grew up in. I also had the opportunity to share God's Word with the youth ministry and at Sunday service at my local church.*

## VISION SHARING

*At this time God is continuing to open doors to share in the different churches of Ontario about what God is calling us to in Argentina. We have been encouraged by the support and encouragement we have received by people we have met along our time of sharing. Continue to pray that more doors will open to share and more people will choose to be partners with us as we serve in Argentina.*

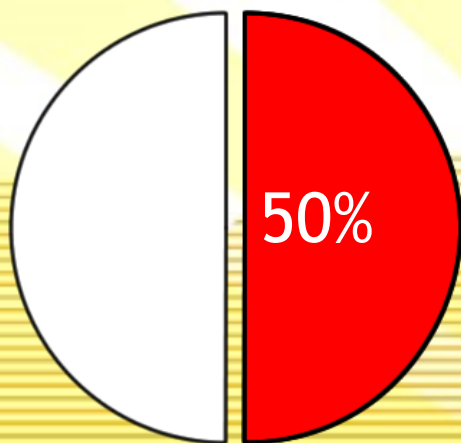

## A STORY OF HIS GRACE

*Many of you know that my brother Gabriel had gotten involved in the world of drugs and many people were praying for him. A few weeks ago he got baptized and gave testimony of a dedication to the Lord. This was a huge answered prayer !! Thank you for all of those who joined in prayer for my brother.*

## PRAYER REQUESTS

- Youth groups we are involved with

## WE NEED PARTNERS

*We are very thankful for the people who have chosen to be a part of what God is doing through their faithful support each and every month. We have grown to love and cherish each individual & family that is part of the LOVERA TEAM as we feel privileged to be serving the Lord with you.*

*We are currently at the half mark of the goal that we need to go back to Argentina. We are confident that God will continue to provide and open new doors to share with others.*
